7 Types Of Water

4 Alkaline Waters + 2 Acidic Waters + 1 Neutral Water

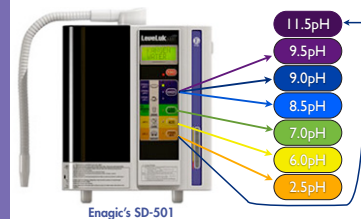

Enagic's SD-501

"Change Your Water, Change Your Life"

SAVING TIME, ENERGY & MONEY KANGEN Water Benefits & Water Properties

4 Alkaline Waters + 2 Acidic Waters + 1 Neutral Water

7.0pH "Clean Neutral Water"

This water has been run through the filter of the Enagic unit but NOT the electrolysis process which means this water **does not** have Kangen Water Micro-Clustering properties.

6.0pH "Beauty Water"

Superior Hydration Kangen Water

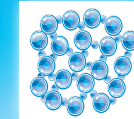

5 - 6 Molecules

Regular H₂O Cluster

15 - 20 Molecules

Large cluster limits absorption by the body, resulting in slower hydration.

Other Waters & Sports Drinks

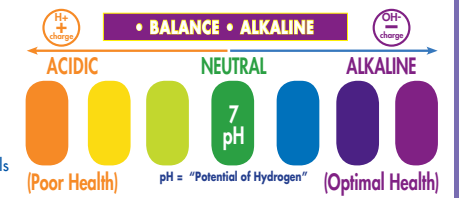

Reverse Osmosis
Purified
Distilled
Well Water
Bottled Water
Sports & Fizzy Drinks

1. Micro-Clustered water - allows greater penetration and easier absorption to cells for delivery of nutrients and hydration necessary for optimal health AND also superior removal of wastes from the cell that are generated minute by minute as part of normal metabolism. This means that the cell is healthier and can function optimally.

- Ionised - electron, oxygen rich water for superior energy

2. Kangen Alkaline water -

reduces acidity in the body caused by tap water, bottled water, fizzy drinks, excess meat, dairy products, processed foods and stress. These acid forming foods & drinks deplete our already limited reserves of vital minerals that can result in causing disease.

3. Antioxidants - slow down aging and degeneration. Free radicals (can cause disease) produced by normal cell function and environmental exposure. These are effectively mopped up by drinking antioxidant water. **Is your drinking water an antioxidant?** Find out by using an ORP Meter.

FOR BEST RESULTS

- Drink first thing in the morning
- Drink half your body weight in ounces of Kangen Water every day eg. if you weigh 150 lb (10.71 stone), drink 75 oz (2.2 litres)
- Store in a sealed container in a cool place away from direct light
- Use for cooking and all beverages (tea & coffee)

Most powerful dispensed fresh from unit but can remain effective for up to 36 hours

Measuring ORP means measuring if a substance is...

oxidative... (aging you) **H+** charge
or
anti-oxidative (slows down aging) **OH-** charge

11.5pH "Eco Friendly Kangen Water"

Benefits & Uses

- A very effective anti-inflammatory which may reduce pain and swelling. Apply externally to affected area for 20-30mins, 2-3 times a day e.g. for arthritis, strains, sprains, sore muscles, broken bones, insect bites/stings, acne, eczema and psoriasis
- Soak your feet for approx 30mins twice weekly to support your body's detoxification process
- Soak fruit and vegetables to clean, revitalise and increase shelf life
- Soak dried beans and peas for 1 hour to reduce cooking time
- Soak nuts, seeds or grains for 1 hour to speed up sprouting or prior to eating to improve digestibility
- Soak fish or chicken for 10-15 mins.
- Use to steam or blanch vegetables to enhance flavours
- Emulsifies oil, fat, grease and tough stains
- Effective cleaner for counter tops, cooking surfaces, floors, carpets and toilets
- Replace your washing detergent. Pour 2 to 3 litres of 11.5pH water into drum of your washing machine

Refill and use within 10 days. Store away from direct light.

Julie's Gone Kangen!

Julie's gone Kangen...

Kilmartin Educational Services are one of the First Schools in Ireland to install a water system that will ensure optimal health, vitality and a higher success rate in exams for its students.

This Chlorine Free Water is different in many ways due to its three unique water properties:

- (1) **Antioxidants** (2) **Alkaline**
(3) **Micro-clustering** which means efficient hydration, resulting in optimal brain performance and a healthier immune system.

Julie Kilmartin, Principal of Kilmartin Educational Services

The brain is one of the most important organs in your body to keep fuelled and hydrated. Water and brain function are integrally linked. Studies have shown that if you are only 1% dehydrated, you will likely have a 5% decrease in cognitive function. If your brain drops 2% in body water, you may suffer from fuzzy short-term memory, experience problems with focusing, and have trouble with math computations.

With her Scientific background, KES's Principal, Julie Kilmartin is very excited about the Kangen Water system as she understands what a difference this will make to her students. This water helps to keep many common illnesses and sicknesses at bay resulting in a happier, more focused and productive student.

Julie has also gone the extra mile to ensure the integrity of the water by providing her students with the option of buying BPA Free drinking bottles.

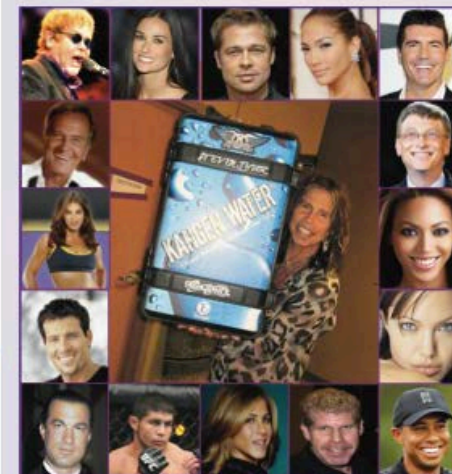

Margaret Naughton who facilitates study Skills and Exam Performance has found that there are an increasing number of parents concerned that their children are struggling because they are off school due to illnesses and finding it difficult to catch up. She feels this will be of great benefit to the students at Kilmartin Educational Services.

Celebrities Who Drink Alkaline, Ionized Water

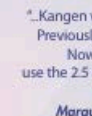

Simon Cowell, Jay-Z, Beyoncé, Demi Moore, Aston Kutcher, Steven Tyler - Aerosmith (owns 4 machines), Angelina Jolie, Brad Pitt, Janet Jackson, Magic Johnson (owns 8 machines), Jack Nicholson, Steven Segal, Chris Daughtry, Sammy Hagar, Bill Gates, Rohan Marley, Jennifer Lopez, Jennifer Aniston, Tiger Woods, Martha Stewart, Carlos Santana, Elton John, Jillian Michaels, George Lopez, UFC FIGHTER Joe "Daddy" Stevenson, Ron Pearlman, Chris Angel, John Geraghty (tennis player), Roger Daulty, Cindie Blackman, Body builders Dan Hill & Wade Lighthart, NY Yankees, LA Lakers, and new ones added by the day.....

Testimonial Highlights

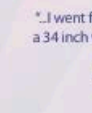

"I am very grateful to the persistence of the person who kept at me, month after month, to try the water, as now I fully understand his passion for sharing this good news".
Dave Sheahan, Personal Fitness Trainer, Ennis Rd., Limerick.

"Kangen water has worked fantastically on my skin. Previously I was using steroid creams and lotions. Now having been introduced to Kangen Water use the 2.5 & 11.5pH waters and it has cleared my skin of Dermatitis".
Marguerite Dwyer, Abbeyfeale, Co. Limerick

"... One day a lady came in with her new born 3 day old baby with an infected umbilical cord... I got her consent and sprayed the 2.5pH water while the child was with me...The mother noticed the infection started to clear around the umbilical cord where it was red and inflamed. Within seconds it just shrunk. It was so amazing for me!"
Dr. Daria Wojnar, Dooradoyle, Limerick.

"I went from a 42 inch waist last summer down to a 34 inch waist now; blood pressure was running at 198/140 and is now 125/60.
Gary Halpin, Naas, Co. Kildare

Kilmartin Educational Services communicate regularly with "Kangen Benefits Europe LTD"; a Limerick based company. This allows us to stay up to date on the latest news and developments from this water technology. This unit is a mineral ion spa system for your home so you can enjoy the soothing feeling of being in a hot spring resort every day! This unit's dual cartridge system contains therapeutic ingredients that have a relaxing spring effect. It takes almost 100% of the chlorine and harmful chemicals out of your shower and bath water. The remaining water is filtered over a blend of natural hot spring ingredients and ions and then broken down into smaller clusters making it easier for your body to absorb the nutrients. This water technology is highly effective against skin deterioration and freckles which means for those looking for healthy vibrant skin, this unit is a must.

We can also do a special price package for those who are open and interested in purchasing one of the Leveluk models along with the Anespa shower unit. When you are ready to learn more about this information please get back in contact with the person who shared this information with you.
