

Enagic Kangen Ukon supplement and Kangen Ukon tea bag packages.

Enagic's ukon is 100% organically grown in Yanbaru, located on the main island of tropical Okinawa (aka Ryukyu Islands) that is renowned for its ukon products, including ukon tea which has been enjoyed and consumed for health benefits for hundreds of years since the Ryukyu Kingdom. Enagic's ukon tea and supplements are specially made so that you can take this natural ingredient everyday in its most natural state possible. Our fresh, easy to swallow capsules and convenient tea bags are now available in 3 different affordable packages: (A) Ukon supplements, (B) Ukon Tea bags and (C) Combination Pack.
